Dear Friends,

**Newsletter - November 2011**

Members of Hope One World have had a busy few years planning overseas workshops, raising funds and training new volunteers. We write to update you on some of our activities since the last newsletter. Here are a selection of photographs that our tutors and students have taken during their projects all over the world.

A lot of people have been working hard to fundraise for Hope One World. Our volunteers have raised between £500 and £1000 each towards their project costs, some raising over their £1000 target! Here are some pictures of how funds have been raised. There have been many other fundraisers too; music concerts, a sponsored silence, cake sales, and car boot sales to name but a few. We are always looking for refreshing new ideas, so if you have any or think you would like to fundraise on behalf of HOW please let us know.
