June 2014

To all our members and supporters,

This is a brief update of Hope One World's activity recently and the exciting events happening in the next few months. Last year Hope One World supported teachers in Rajpur and Mussoorie, India with Primary English and Secondary Mathematics and Science. We also supported teachers in Malawi, Africa with Life Skills Workshops and training. Here are a few pictures to show some of the fantastic work in action.

Fun in Rajpur: Phonics/Early Reading Workshop

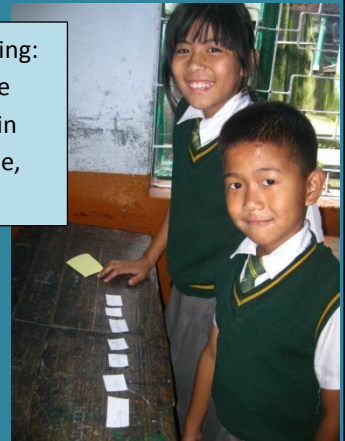

Active Learning: Phonics is fun

Active Learning in Science

Peer Learning: Sentence building in Mussoorie, India

Peer Learning: Explaining mathematics to her classmates

Teachers' Workshop in Malawi

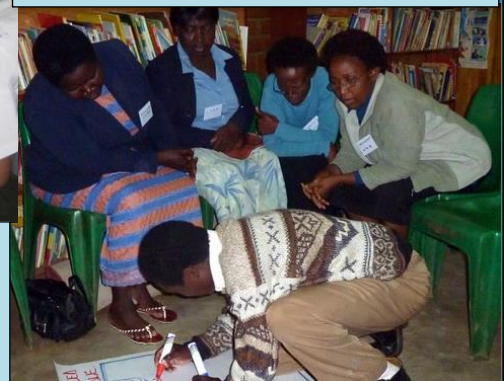

Group Learning: Mathematics discussion cards

Science: Learning through investigation

Fundraising got off to a brilliant start this year with an Anthony John Clarke, Dave Pegg (Fairport Convention) and Friends concert. It was a great night of entertainment and laughs.

Our volunteers and members have been busy fundraising too. Maria held a Quiz night and Family Fun Day in Liverpool - pictures below include bouncy castle fun and tombola prize winners.

Leanne and Louise ran the London BUPA 10k and Naomi ran the Rock n Roll Liverpool Marathon!

Projects 2014

This year Hope One World is working alongside **Kwazulu-Natal Department of Education** in South Africa and **Tibetan Homes Foundation** in India! Exciting projects have been planned at these locations upon request for Inclusive Education/ Special Educational Needs and Primary Phonics/ Development of English.

Hope One World would like to take this opportunity to thank its members, supporters and volunteers for their continued support throughout the year. Special thanks to Carmel College St. Helens, Bishop Eton One World Group Liverpool, the parish of Our Lady of the Annunciation Bishop Eton, and to all of our calendar sponsors.
